# Directions to **gtslearning**

## Travelling by tube

Take the Wimbledon branch of the District Line to Parsons Green station.

Turn immediately right at the exit to the underground station and walk up Parsons Green Lane to the New Kings Road.

Turn right into New Kings Road and keep walking for approximately 200 metres. You will pass under an iron railway bridge (carrying Tube trains) and you will see a modern office development on the right, called Elysium Gate. Enter through one of the two iron pedestrian gates, follow the driveway to the back of the development and then turn right.

You will find gtslearning at Three Elysium Gate.

## Travelling by rail (from Putney)

Turn right out of Putney Rail station. Walk along Putney High Street and over Putney Bridge. Just past the end of the bridge, turn right into New Kings Road and keep walking past the sign for Putney Bridge Underground.

Walk along the right hand side of New Kings Road until you reach a zebra crossing. You need to cross the road here and continue walking in the same direction (left hand side of the road).

Approximately 200 metres after the zebra crossing, you will see a modern office development on your left, called Elysium Gate. Enter through one of the two pedestrian gates, follow the driveway to the back of the development and then turn right.

You will find gtslearning at Three Elysium Gate.

## Travelling by road

gtslearning has only limited parking available and we would recommend that you use public transport to travel to our offices.
